Descripción de la propiedad

This 7,663.41-square-meter lot in Brisas del Norte, Volcán, is an excellent opportunity for those seeking a flat, easily accessible property in one of the fastest-growing areas of Chiriquí. Located just 2.6 kilometers from downtown Volcán, this lot provides convenient access to services and amenities. The property features flat terrain, making it highly suitable for residential or agricultural development. A natural stream runs beside the lot, adding value and enhancing its natural appeal. Additionally, the lot offers beautiful views of the mountains, including the well-known Volcán Barú. Brisas del Norte is a growing neighborhood, with demand for land in the Volcán area steadily increasing. Positioned diagonally from the Bambito Water Bottling Plant, the location is easy to access and has great potential for future development.
