Descripción de la propiedad

Luxurious beach house with 1,022 m² of construction spread over 3 levels, on a 1,309 m² lot. The residence features 6 bedrooms, 5 full bathrooms, and a guest half bathroom. It also features a den with a bar and BBQ area facing the infinity pool with Jacuzzi. The living-dining area is double-height, with tempered glass and stainless steel railings and large windows that allow excellent natural light and cross-ventilation throughout the property, ideal for family gatherings. The house also features a spacious open kitchen facing the dining room. The second level houses 5 bedrooms, 2 of which are master suites and have private balconies, offering greater spaciousness and privileged views. The other bedrooms maintain a functional and comfortable design, ideal for family and guests. The sixth bedroom is located on the ground floor, providing additional comfort and accessibility. On the third level, a large rooftop terrace with ocean views becomes the perfect space for social gatherings and unforgettable sunsets. The internal parking lot is open and has space for 10 cars. The property includes a caretaker's residence and a large storage room at the rear, located on level -100. It has a water reserve tank with a hydropneumatic system. Maintenance, at \$55, includes: trimming branches in the development areas and trash removal.
