Descripción de la propiedad

Discover this Development Opportunity or Huge Home Site for Sale in Residencial San Antonio, Potrerillos Abajo, Chiriqui. Residencial San Antonio is an established planned subdivision community. The community is conveniently located about a half hour from both Boquete and David, Panama. It is in a pleasant climate location at 2,000 feet of altitude. The first phase of San Antonio has sold out. The seller, facing a busy schedule, has opted not to develop this property, originally intended as the second phase of the San Antonio community. Now for sale, you can own this phase 2 of San Antonio to serve as your own large estate property in the community or to develop. Another option is to buy it and hold it as an investment for the future.
