We present a spectacular second-row beachfront lot of 700 square meters in the paradisiacal Juan Hombrón area, Coclé, Panama. This lot benefits from nearby access to electricity and potable water, making it easy to start any construction project you may have in mind. The location is unbeatable, offering panoramic views of the Pacific Ocean that allow you to enjoy breathtaking sunrises and sunsets every day. It's ideal for complementing any project you envision, whether it's a parking area, guest house, or additional garden. Juan Hombrón is a developing area known for its tranquility, natural beauty, and proximity to other major tourist destinations in the region. This privileged location is just 20 minutes from Scarlett Martínez International Airport, providing easy access to national and international flights. Additionally, it is only 25 minutes from Penonomé, the capital of the Coclé province, where you'll find all the services and conveniences you may need. Here, you can build the home of your dreams, a vacation retreat, or even a tourism project, taking advantage of the growing interest in Panama's Pacific coast. Don't miss this unique opportunity to invest in a piece of paradise by the sea. Contact us for more information and to schedule a visit. Your future beachfront home awaits you in Juan Hombrón!
