Descripción de la propiedad

Welcome to Palmira Beach, a stunning 6.8-hectare beachfront property on Panama's Caribbean coast, located in Colón, just south of the world-famous San Blas Islands. This expansive coastal retreat boasts pristine white sandy beaches, crystal-clear turquoise waters, and lush tropical landscapes, making it an ideal location for a private estate, luxury resort, eco-lodge, or investment project. ***Prime Location & Natural Beauty*** Palmira Beach offers the perfect balance of seclusion and accessibility, positioned between Colón and the San Blas archipelago. Just a short boat ride from the breathtaking Guna Yala region, you'll have access to 365 untouched islands, rich indigenous culture, and world-class sailing, snorkeling, and diving. The property is also within reach of Portobelo's historic forts, the Panama Canal, and major infrastructure developments, ensuring convenience while maintaining an exclusive, tranquil atmosphere. ***Investment & Development Potential*** With 6.8 hectares (16.8 acres) of prime beachfront land, Palmira Beach is a rare opportunity for investors looking to develop a resort, boutique hotel, or exclusive residential community in one of Panama's most sought-after coastal areas. The region's tourism growth, combined with increasing demand for sustainable and luxury beachfront properties, makes this an outstanding long-term investment.
