### Descripción de la propiedad

---

Excellent opportunity to buy a piece of land with a small restaurant right on the Interamerican Highway! Ideal for all kinds of business. Grace's Restaurant is small and needs some tender loving care but can be made a jewel with a minimal investment. Visible and accessible from the Panamerican Highway with more than enough room for parking, other options are possible – any business where you have to be seen and where people can easily find and reach you. Half the property lies behind the restaurant and also offers great opportunities in conjunction with whatever you decide to have up front. The price is very attractive for the location!
