Descripción de la propiedad

Discover your dream home in the peaceful and highly sought-after neighborhood of Alto Lino, located just 3.5 km from the vibrant Restaurant Row of downtown Boquete. This fully furnished 2-bedroom, 2-bath condo includes a spacious bonus room and a large bodega inside. Another feature unique to this home is the covered terrace that runs the entire width of the condo, offering breathtaking views of the mountains. What also sets this condo apart from all the others is its complete renovation completed just last year, with all appliances and furnishings newly purchased. The building is home to only six condos, but this one is truly unique—it's the only unit that includes a bonus room and bodega, a covered terrace, and it's larger and more distinctive than all the others. Upon entering, you'll be welcomed by an open-concept floor plan bathed in natural light. The spacious living area is perfect for relaxing or entertaining, with a 75" Samsung TV providing a theater-like experience, while the master suite features its own TV for private viewing. Both TVs are equipped with new 4K Amazon FireSticks for endless streaming. The climate is always under control with a cutting-edge Carrier system providing air conditioning, heating, dehumidifying, and air-purifying options for your comfort year-round. The master bedroom is a retreat of its own, furnished with a king-size bed and an en-suite bathroom complete with ample cabinet space, ensuring everything has its place. The second bedroom is also generously sized and provides plenty of storage for all your belongings.
