### Descripción de la propiedad

As you probably know already, PANAMA PACIFICO (the former Howard Air Force Base) is a master-planned community located 15 minutes from Panama City and centered around a vibrant economic area where multinational corporations such as Dell, 3M, and Caterpillar have established their headquarters. It encompasses 1400 hectares and is home to five international schools, restaurants, and commercial centers. RIVER VALLEY stands out among several residential developments thanks to its proximity to nature. Spacious two-bedroom apartments in mint condition like this one are the most sought-after as they offer UNLIMITED VIEWS instead of a view to the neighbor's living room. Please note that those are the actual dimensions, not something made up. This MLS (Multiple Listing Service) property is available to private parties and licensed agents. Visit it today!
