### | Descripción de la propiedad

---

Are you looking for an excellent investment opportunity in one of Panama City's most exclusive neighborhoods? This building for sale in San Francisco may be the perfect option for your project. With a 1,500.70 m<sup>2</sup> lot and a 2,326.69 m<sup>2</sup> construction area, it offers spacious spaces spread over two floors that adapt to different needs. It has five bathrooms and areas that can be easily adapted for offices, businesses, service centers, or commercial projects. Its strategic location on a main road guarantees excellent visibility and easy access, and it is surrounded by restaurants, shops, banks, and all kinds of services that make the area even more attractive. A property with great potential for investors or entrepreneurs looking to establish themselves in a key part of the city. Contact us for more information and to schedule a visit.
