Descripción de la propiedad

Discover the perfect blend of nature and potential with this 26-hectare land, just 25 minutes from downtown Panama City. Offering breathtaking views and a refreshing climate, this property is an exceptional opportunity for those looking to invest in residential projects, eco-tourism, or sustainable development. Easily accessible via a paved road, the land includes a charming 2-bedroom, 2-bathroom house, ideal for immediate living or as a base while you develop your vision. Surrounded by lush biodiversity, serene natural trails, rivers, and pristine springs, the property is a haven for outdoor activities and eco-friendly ventures. This is a rare chance to secure a property with incredible growth potential in a region poised for development, all while enjoying the natural beauty that makes Altos de Pedregal so unique. Don't miss out on this once-in-a-lifetime opportunity to invest in a property that offers both value and serenity. Act now and make your vision a reality!
