LAND FOR SALE ON VIA DOMINGO DÍAZ

En Venta

\$3,500,000

Descripción de la propiedad

A complete property located in the Cerro Viento area is for sale, ideal for industrial, logistics, or specialized workshop use. The plot of land includes a 6,024 m² warehouse/workshop, office and storage units, a compressor shed, a security checkpoint, a covered area for motorcycles, and large paved areas for maneuvers and parking. Facilities include a 38 kW / 47 KVA power plant, an access gate, perimeter fences with block foundation and concertina wire, as well as semi-open areas for repairs and perimeter sidewalks. The functional layout and existing infrastructure allow for immediate operation, reducing costs and adaptation time. A versatile, secure, and strategically located property to enhance any industrial or commercial operation.
