Descripción de la propiedad

The land totals 5,613.40 m2 and has a mostly flat rectangular shape, with 53.44 meters of frontage facing Dr. Belisario Porras Avenue and a depth of 30.00 linear meters. It maintains natural stormwater drainage and is located between lots. It has a metal gate at the front. Strategically located on Vía El Aromo, this land is just 3 km from the Chitré Regional Hospital and diagonally across from the Cadena de Frío (Cold Chain), offering convenience and access to key services. The area has electricity, water, and roads, facilitating any residential, commercial, or tourism project. With guaranteed capital gains, it is a perfect opportunity to develop housing, businesses, warehouses, or tourism ventures, with the advantage of available financing. Investing here means being in a strategic, secure location with great growth potential.
