Descripción de la propiedad

This property measures 4 hectares + 4,244 square meters and is located in Los Mameyes, Potrerillos Arriba, Chiriquí. Land Features The property includes a natural forest with diverse vegetation. The property borders a river at the back. A seasonal stream runs approximately through the middle of the land. Over time, the stream has carved a small canyon in that area. The property sits at an altitude of approximately 1,100 meters (3,609 feet) above sea level, giving it a fresh highland climate. Views of the mountains and Volcan Baru. Access is via a local rural road, and electricity is nearby. The topography is mixed: The front section, bordering the road, includes some flat areas. Other sections are sloping or hilly, including areas that rise and descend toward the river.
