### Descripción de la propiedad

---

This titled lot is walking distance to the beach and just minutes from the town square of Pedasi offers a great opportunity to build in one of Panama's most sought-after coastal regions. The land is fully cleared, flat, and ready for construction, with water and electric connections already in place at the lot line. This area attracts expats, retirees, and investors alike thanks to its growing popularity, laid-back lifestyle, and proximity to some of the best beaches on the Azuero Peninsula. Unlike larger parcels that require subdivision or remote farmland that lacks infrastructure, this property is sized for practical development and is fully connected and ready to go. Whether you're looking to build now or buy and hold for the future, this lot delivers peace of mind and investment flexibility. Contact us to schedule a site visit or request more information. No HOA, no HOA fees.
