### Descripción de la propiedad

---

Just 25 minutes from Boquete and minutes from the quiet town of Caldera, this beautiful 3.5-hectare property offers a rare natural setting in the Chiriquí highlands. A crystal-clear waterfall flows over moss-covered rocks into refreshing natural pools, creating a peaceful environment ideal for swimming, relaxing, and enjoying nature at its finest. Gentle trails wind through lush vegetation where tropical birds and wildlife are frequently seen. The land feels private and serene, yet remains easily accessible from a nearby paved road. Water and electricity are available, offering convenience while preserving the property's natural character. This is an exceptional opportunity to own waterfall land in Caldera-ideal for those seeking privacy, tranquility, and a lifestyle immersed in nature, with the comforts of Boquete just a short drive away.
