Descripción de la propiedad

To enter The Posh Residence is to step into a living masterpiece — a sanctuary in the sky where space, light, and views converge in harmony. Located in the prestigious Bellagio Tower, this fully renovated four-bedroom residence commands 270° panoramic vistas across Panama Bay — from Balboa Avenue and the UNESCO Old City to the Frank Gehry BioMuseo, the Causeway, the Bridge of the Americas, and the exclusive Ocean Reef Islands. With a southern orientation, mornings bring sunrise to the left, evenings the sunset to the right, bathing interiors in natural light. Meticulously upgraded, the home features state-of-the-art appliances in a chef's kitchen with breakfast area, custom woodwork in doors, cabinetry and wall paneling, and premium finishes from stone surfaces to designer fixtures. Floor-to-ceiling windows frame the views like living art. A flowing layout connects expansive living and dining areas to a spacious terrace, ideal for gatherings. Each bedroom includes its own en-suite bathroom for privacy and comfort. Set within Punta Pacifica, Panama City's most exclusive oceanfront neighborhood, residents enjoy unmatched privacy, 24/7 security, and access to the city's best dining, shopping, and cultural attractions. The Posh Residence is more than a home — it is a statement of prestige, a showcase of craftsmanship and design, and a rare jewel among Punta Pacifica's most distinguished residences.
