Descripción de la propiedad

Set in a peaceful yet conveniently located neighborhood, this unique property offers the perfect blend of tranquility and accessibility. Located just across the street from Mort's Bakery and minutes from local attractions, cafes, and amenities, you'll enjoy the benefits of a central location without sacrificing privacy or comfort. This thoughtfully designed multi-level home features high ceilings, abundant natural light, and a breezy open layout that creates a warm and inviting atmosphere. Whether you're looking for a family residence or an income-generating opportunity, this property offers exceptional value and flexibility. Unit One includes two spacious bedrooms and two and a half bathrooms, along with a full galley kitchen offering generous storage. A main-floor laundry room and a covered front terrace add practicality and charm. Units Two and Three are each approximately 400 sq ft and include a kitchenette and full bathroom—ideal for guests, long-term rentals, or Airbnb. The property is being sold fully furnished and is in beautiful condition. Live in one unit and rent out the others for additional income. Surrounded by tree-lined streets and nestled in a friendly community with a true neighborhood feel, this is a must-see property for those seeking comfort, convenience, and opportunity in one complete package.
