### Descripción de la propiedad

Discover the potential of this residence currently under construction, nestled in the serene hills of Volcancito, just a short 10-minute drive from Downtown Boquete. This home-to-be offers promising vistas of the mountains, Jaramillo Talamanca Mountain Range, and the towering Volcan Baru. The location of this home is super convenient. It is located only 400 meters from a school, a convenience store, a bus/taxi stop, and a restaurant. There are hiking routes nearby, and a scenic walk to the center of Boquete is only 4 kilometers (2.5 miles). The neighborhood is small and intimate which adds to the overall charm.
