Descripción de la propiedad

Thoughtfully renovated and fully furnished 2-bedroom end unit with custom upgrades, stunning views, and premium appliances—priced the same as standard units! This beautifully upgraded 2-bedroom beachfront condo in the sought-after Royal Palm building in Gorgona is a rare find—an end unit with extra natural light, stylish finishes, and sweeping ocean and mountain views from the coveted sunset side of the building. Unlike typical rental-grade units, this home was designed to live in, not to rent. The owners relocated here and furnished it with intention, comfort, and quality in mind. Enjoy custom cabinetry throughout, a built-in bar in the living area, high-end appliances, and WiFi-enabled inverter A/C units in every room. The kitchen has been expanded with added storage and upgraded appliances, and the second bedroom offers smart built-ins that make it perfect as a guest room, office, or multipurpose space. Relax on your private balcony and watch the sun set behind the mountains while listening to the sound of the waves and sipping your favorite beverage—this is coastal living at its best. As a highly desirable end unit, you'll enjoy added privacy, an extra window in both the guest bedroom and bathroom, and more natural light—a major bonus in smaller floor plans. Located in a well-maintained, amenity-rich beachfront building with swimmable beach access, multiple pools, gym, social areas, and a vibrant onsite community, this unit is truly turnkey and priced to sell—offered at the same price as other units without upgrades. Don't miss the opportunity to own one of the best-located and best-valued units in Royal Palm!
