Descripción de la propiedad

A house that combines spaciousness, ventilation, lighting, and the greenery of a beautiful garden. This home is located just steps from Benito Juárez Park. The neighborhood maintains its family-friendly feel and wide streets, very convenient for easy traffic. Its proximity to Simón Bolívar Avenue connects you to shopping centers, convenience stores, grocery stores, supermarkets, and other amenities that only El Carmen can offer. The spacious rooms feature pastel and minimalist colors, ideal for the modern feel of the home, while also adding a vintage touch to the living and dining room finishes, both harmoniously offering peace and tranquility. We then move on to the family area, a bar, and two living rooms that offer enough space for family gatherings that can be shared by children and adults. Surprise: the garage has a hydraulic jack for servicing your car. It also has two (02) tanks, one (01) in the attic for more storage space and a camera security system. An excellent opportunity to grow your family and give them natural harmony. Contact us. We are the bridge to your next stage of life.
