## Sale of Agricultural Farm in Ocú

En Venta

**\$125,000**

### Descripción de la propiedad

---

For sale: a strategically located agricultural property in Los Higos, Ocú, ideal for livestock, crop, or mixed-use development. The property features a combination of flatlands, perfect for planting and mechanization, as well as rolling hills that favor livestock farming, fruit orchards, or forestry. Its topography allows for diversified land use, maximizing yield and profitability. This is an excellent opportunity for investors or producers seeking a functional farm with productive potential and medium- to long-term growth in an area renowned for its agricultural vocation.
