Lot for sale in Macano de Cochea

En Venta

\$80,000

Descripción de la propiedad

This flat lot for sale in Macano de Cochea offers a total area of 8,873.35 square meters. Located just 30 minutes from David and only 10 minutes from downtown, this lot is in a safe neighborhood with beautiful landscapes, many trees, and some ornamental plants. The lot is fully fenced and includes all necessary utilities, such as electricity and water connection, facilitating construction or development of the land if desired. Macano de Cochea is near the Boquete area, renowned for its stunning mountain views and outdoor activities. The Caldera hot springs and Gualaca's Cangilones canyon are also close by, offering opportunities for swimming and recreation. Additionally, the nearby city of David provides access to essential services, making this lot an excellent option for those looking to invest in the Chiriquí region.
