### Descripción de la propiedad

---

This 55,000 square meter plot of land in Río Hato is much more than just a piece of land; it is a unique opportunity to build your vision, whether it is a residential, tourist or agricultural project. Strategically located with direct access to the Inter-American Highway, this land offers unmatched connectivity, ideal for those looking to be close to everything, but surrounded by the serenity that only nature can provide. In addition, it has a road to the beaches of Decameron and Playa Blanca, making it a perfect place for those who want to be just minutes from the crystal-clear waters and white sands of the Panamanian Pacific. The land is completely flat, which facilitates any type of development or construction, and is adorned with a plantation of fruits and vegetables that not only provide a touch of life and color, but also represent an opportunity for those interested in sustainable agricultural projects or in enjoying the fruits of the earth.
