This property stands apart in Boquete for its scale and flexibility as a residence. Located in Los Cabezos along the main road, just three minutes from downtown, this Luxury Mountain Villa functions equally well as a spacious private home or a boutique-style bed and breakfast. Its suite-based design balances shared living areas and individual privacy without compromising comfort. Set on a 1,102 m<sup>2</sup> lot with 599 m<sup>2</sup> of construction, the villa holds a prominent position in one of Boquete's closest hillside neighborhoods, known for its green microclimate and quick access to town. Mountain views extend across the valley, and nearby attractions include The Lost Waterfalls, Los Ladrillos, The Pipeline Trail, Piedra de Lino, and local coffee tours. The home includes eight bedrooms, each with a private bathroom, plus a half bath for guests. Each suite features built-in closets and a television, supported by eight mini refrigerators throughout the property. The main level opens from a formal foyer into a large living and dining area with double-height ceilings. Sliding glass doors connect to a generous glass-enclosed terrace with a fireplace, creating an expansive indoor-outdoor living space. The fully equipped kitchen can be separated by wooden sliding doors and connects to the terrace through service windows with a breakfast bar.
