Descripción de la propiedad

A cozy house is for sale in San Martín de Pacora, in a peaceful, nature-filled setting, ideal for those seeking tranquility and comfort away from the city noise. The property is located next to the local church, in an easily accessible and well-known area. It is surrounded by trees that provide natural shade, coolness, and a pleasant atmosphere throughout the day. The house features: • 3 comfortable bedrooms • 1 bathroom • Ample outdoor space with a wooded setting. It is an excellent option for both a family residence and an investment, in a growing area with a strong sense of community.
